BIOGRAPHY

I am a 21 year old creative undergraduate studying Digital Media Design; I will be graduating in July 2017 having completed a year's placement in my third year. I have a wide technical ability and a passion for design. I always push myself to the best of my abilities and I seek feedback on a regular basis to ensure my output is as rounded, creative and suited as possible to deliver to the objective. I am enthusiastic, self-motivated and determined with a drive to succeed in the creative media industry.

EXPERIENCE

● ASSISTANT DESIGN EDITOR

Nerve Magazine | Nov 16 -

I am the assistant design editors for Bournemouth University's Nerve Magazine, using InDesign for all of my designs.

● CREATIVE STUDIO INTERN

Outbound | July 15 - July 16

I had my year placement working for Outbound within their in-house studio. I was both a print and digital designer, as well as video editor and animator.

● WAITRESS

Phoenix Inn & Elvetham Hotel | Sept 11 - June 15

Part-time work has improved my ability to manage my time; combining work with studies, as well as extra curricular activities. Working many years in hospitality means I have gained good customer service skills, as well as leadership qualities when needed.

EDUCATION

● UNDERGRADUATE DEGREE

Bournemouth University | Sept 13 -

Fourth year student studying BA (Hons) Digital Media Design. Working towards a 2:1. I completed a year out in industry as a Creative Studio Intern at Outbound.

● COLLEGE A-LEVELS

Alton College | Sept 11 - June 13

Photography (A*), English Language (A), Media Studies (B)

● SECONDARY SCHOOL

Robert May's School | Sept 06 - June 11

GCSE's - 9A's, 1 A*

REFERENCES

Available upon request.

VOLUNTEERING

● CHANNEL 4 Pop-up Day Volunteer

Channel 4 | May 15

Helping with the Digital Workshop throughout the day, encouraging collaboration and idea generation.

● BBC Make It Digital Volunteer

BBC Make It Digital Tour | Aug 15

Assisting with the different activities at the event, including the green-screen weather predicting activity.
